COURSES

STANDARD AND STANDARD GOLD GROUP COURSES

Our group courses are designed to have small classes with a maximum of 7 people so that learning can be more effective, but funny at the same time. Participating in small groups allows you to learn quicker.

You can choose between 2 group courses:
STANDARD: 3 lessons of 45 minutes each with one 15-minutes break and **STANDARD GOLD:** 4 lessons of 45 minutes each with two 15-minutes breaks. Studying intensively, regularly every day, requires a great deal of energy. Numerous studies have proven that 45 minutes is the ideal timing for learning, anything after 45 minutes will cause your attention to decrease significantly. The teacher will divide the three modules, so you can be more attentive every 45 minutes. The **STANDARD GOLD** course gives you an extra lesson every day to focus on the structures of language.

THIS IS THE RIGHT COURSE FOR YOU IF:

- You have time to study every day
- You want to study constantly and effectively
- You want to get good results in a short time
- You like working in a group
