

Italian + “Cooking & Wine”

If you have great interest for the Italian cuisine and love the local wines, the school is glad to organize a course to follow your passion. This special course includes the following elements weekly:

- **20 HOURS OF ITALIAN** as a group lesson with 4-5 students on average, maximum of 9. The lessons take place at school from Monday to Friday from 9.00 AM to 12.40 PM.
- **COOKING LESSONS** that take place twice a week, every Wednesday and Friday from 4.00 PM until 8.00 PM at the cook's home – a beautiful apartment in the centre of Sanremo with a large terrace where one can enjoy a nice view of the city. The cook is very experienced, speaks slowly and introduces students into the secrets of Italian cuisine and the Ligurian specialities. The dishes prepared will then be served and accompanied by Italian wines.
- **WINE TASTING** that takes place at school on Thursday, either from 4.30 PM to 6 PM or from 6 PM to 7.30 PM depending on the period of the year. The participants receive an introduction into the world of Italian wines from a sommelier with a long experience. The event includes the finest and most well-known regional wines, accompanied by typical appetizers of the local cuisine. The part of the Oenology is supported by wine making demonstration videos. Depending on the number of the participants the wine tasting can also take place at Victory Morgana Bay which is one of the most famous restaurants of Sanremo with a wonderful view of the sea. The event includes not only the tasting of various wines but also of typical local dishes.

A course of 30 hours a week includes 20 hours of Italian lessons, 8 hours of cooking lessons (divided in two evenings) as well as 2 hours of wine tasting. All levels, from basic to advanced, are available.

Have fun, enjoy your meal and...cheers!
